Table 2: Graduation Rates for Our Lady of the Lake University and School of Business and Leadership undergraduates (Fall 2013 Cohort)

Note: Caution must be used in interpreting and comparing university retention and graduation rates. Students may fail to graduate from a specific university or college for a number of reasons: they may choose to transfer to other institutions; they may experience financial hardships; or they may determine that they are not prepared for the rigorous discipline of a four-year university or college, to mention a few of the more common reasons.

Data results based on IPEDS Methodology.
